# ASSESS & PROGRESS

STUDENT & HUMAN THREAT ASSESSMENTS

**New. Exciting. Better. Safer. Holistic. Enhanced.  
Revolutionized.**

In preventing a school attack or extreme acts of violence like mass shootings, no skill is more important than being able to effectively complete a human threat assessment.

Assess & Progress gives you the skills, materials, and confidence to quickly and accurately determine if a person who has made a threat truly poses a threat to himself and others.

Participants will learn how to assess, intervene, and manage a dangerous person and to guide their community to respond quickly and appropriately.
