

# SAFE & LOVED SCHOOL SAFETY Leader

CREATED & PRESENTED BY DON SHOMETTE

## Attend this 1-day fast-paced, unique school safety training and learn how to...

1. Be an effective school violence prevention leader.
2. Prevent school attacks by reshaping the environment to push out unwanted behaviors.
3. Reduce the need to do student safety assessments by tracking student trajectories.
4. Quickly and effectively implement **Safe & Loved**.
5. Understand, evaluate, and implement the 4 elements necessary to prevent a school attack.
6. Effectively integrate student safety assessments & human threat assessments into your overall safety posture.
7. Think and act differently and holistically about safety.
8. The history and science of reshaping your environment to positively influence behaviors.
9. Take your school safety from **Good** to **Better** to the **Best**.
10. Effectively implement the internationally proven strategies of CPTED (Crime Prevention Through Environmental Design)
11. Inspire teachers by focusing on strengths instead of fears.
12. Increase student supervision without increasing staff duties
13. The two critical elements that make a perfect lockdown.
14. Utilize progression drills to speed up lockdown drills.
15. Methods used by great schools to improve safety and enhance culture.
16. The 3 strategies used by teachers to survive a school attack.
