# ASSESS & PROGRESS

STUDENT THREAT ASSESSMENTS. **REVOLUTIONIZED.**

New. Exciting. Better. Safer. Holistic. Enhanced.  
**Revolutionized.**

Assess & Progress gives you the skills to quickly and accurately **assess** if a student truly poses a danger and the abilities and materials to **progress** them to a safer place.

How Assess & Progress is Different...and **Better!**

THREAT ASSESSMENTS	ASSESS & PROGRESS
<b>Punishment</b> based	----> <b>Growth</b> based
Prioritizes finding <b>problems</b> over solutions	Prioritizes finding <b>solutions</b> through growth
<b>No value</b> to students...it's something done to them and not with them	----> <b>Invaluable</b> to students because they fully participate learning lifelong growth skills
<b>Stops</b> the moment risk level is determined	----> <b>Continues</b> until the student is no longer a threat
Conditions schools to see <b>every</b> behavior as a threat	----> Conditions schools to treat student behaviors <b>holistically</b>
<b>Pits</b> schools against students and families against schools	----> Brings everyone <b>together</b> with positive goals of growth
Pushes parents aside making it <b>impossible</b> for them to help	----> Gives parents materials making it <b>easy</b> for them to help
Stigmatizes <b>everyone</b> ...because schools are not made for this approach	----> Stigmatizes <b>no one</b> ...because this is exactly what schools do best -- help students grow
Focuses <b>only</b> on safety...	----> Focuses on safety...and the student's emotional, social, academic, and personal growth and well being... <b>and so much more!</b>
