ASSESS & PROGRESS

STUDENT SAFETY ASSESSMENTS

NEW. BETTER. ENHANCED. REVOLUTIONIZED!

No skill is more important than being able to complete a student safety assessment!

Assess & Progress gives you the **skills, materials**, and **confidence** to quickly and accurately determine if a student who has made a threat to attack the school truly poses a threat to himself and others.

Participants will learn how to...

1. Spot those on the Path to Violence.
2. Identify what stage a person is on The Path to Violence.
3. Make a 'snapshot' assessment.
4. Conduct comprehensive human threat assessments.
5. Assess, intervene, and manage a dangerous person.
6. Quickly assess a person's current risk level with easy to utilize techniques and supplied worksheets.
7. Accurately distinguish threatening from non-threatening behaviors.
8. Spot indicators of a person's willingness to use violence.
9. Identify behaviors that indicate an attack is imminent.
10. Effectively mitigate and control a dangerous person.
11. Implement intervention techniques to prevent an attack.
12. Calculate the potential risk level for future violence.
13. De-escalate dangerous situations.
14. Address the issue publicly without creating more anxiety.
15. Prevent stigmatizing students and alienating parents.
16. Dispel the myths that hold us back from preventing violence.
17. Protect yourself against civil liability.
18. Guide your community to respond quickly and appropriately.
