

CERTIFIED SAFE & LOVED PRACTITIONER

Don Shomette

Validate Your Skills. Automate Your Safety.

Safe & Loved is the only school safety approach credited with helping to **prevent shootings**, earn **standing ovations** from teachers, and inspire educators and police officers to **postpone retirement**—not once, but routinely.

As a Certified Safe & Loved Practitioner you'll be able to:

- Implement Safe & Loved
- Prevent the next school shooting
- Reduce bullying and disruptions **while at the same time** raising trust, culture, and your credibility
- Master the ability to apply **E-SAT** (Engagement, Supervision, Access Control, Territorial Reinforcement) and **make any school safer**
- Blend proven violence prevention techniques into **every interaction**
- Make your safety stronger, easier, and automatic
- Equip teachers to protect and connect at the same time
- Increase staff retention
- Answer any safety question and become the **most valuable person** in any room
- **And so much more**
